ON THE THIRD DAY HE ROSE FROM THE DEAD

"We bring you the good news that what God promised to the fathers, this day he has fulfilled to us their children by raising Jesus." The Resurrection of Jesus is the crowning truth of our faith in Christ, a faith believed and lived as the central truth by the first Christian community; handed on as fundamental by Tradition; established by the documents of the New Testament; and preached as an essential part of the Paschal mystery along with the cross:

Christ is risen from the dead!
Dying, he conquered death;
To the dead, he has given life.

I. THE HISTORICAL AND TRANSCENDENT EVENT

The mystery of Christ's resurrection is a real event, with manifestations that were historically verified, as the New Testament bears witness. In about A.D. 56 St. Paul could already write to the Corinthians: "I delivered to you as of first importance what I also received, that Christ died for our sins in accordance with the scriptures, and that he was buried, that he was raised on the third day in accordance with the scriptures, and that he appeared to Cephas, then to the Twelve. . . ." The Apostle speaks here of the living tradition of the Resurrection which he had learned after his conversion at the gates of Damascus.

The empty tomb

"Why do you seek the living among the dead? He is not here, but has risen." The first element we encounter in the framework of the Easter events is the empty tomb. In itself it is not a direct proof of Resurrection; the absence of Christ's body from the tomb could be explained otherwise. Nonetheless the empty tomb was still an essential sign for all. Its discovery by the disciples was the first step toward recognizing the very fact of the Resurrection. This was the case, first with the holy women, and then with Peter. The disciple "whom Jesus loved" affirmed that when he entered the empty tomb and discovered "the linen cloths lying there", "he saw and believed". This suggests that he realized from the empty tomb's condition that the absence of Jesus' body could not have been of human doing and that Jesus had not simply returned to earthly life as had been the case with Lazarus.^{ccc638-640}
